## MASK DISTRIBUTION IN SAN JUAN BAUTISTA

Beginning Monday April 27, assuming the arrival of adequate supplies, the City will initiate a mass distribution of masks to the community for those members that are unable to obtain their own cloth face covering as follows:

- This week, the City began offering masks to the most needy in the community, those who have subscribed to the Community Wellness program;
- On Monday, assuming they arrive, we will distribute masks with the noon meals distributed at the San Juan School between 10:30-12:00;
- On Wednesday, April 29, 2020, the City will be handing out masks at the Community Center at 10 San Jose Street, from 10:00-2:00 pm to those who bring the Postcard being mailed Monday to all residents.
- After that, masks can be picked up from City Hall at 311 Second Street, or the Fire Department on Polk Street, on an as needed basis.

On Friday, and **effective Monday, April 27**, the County Health Officer’s most recent Health Order requires masks to be worn when in public and near others. Please refer to the Health Order provided to all who subscribe to the Nixel Hotline, 888-777 text #sanjuanbautista.

If resources do not arrive, updates will be posted on the City’s website and Facebook page.
