**REMOVAL OF PARKLETS REQUIRED**

**On or Before**

**Monday January 1, 2024**

The City Council of the City of San Juan Bautista has ended the Local Emergency due to COVID-19 via Resolution No. 2023-18. Thereafter the City Council adopted Resolution 2023-27 **revising** the time period for removal of parklets located within the Third Street Public Right of Way authorized under the “Transformation of Third Street” program.

**Notice Of Required Parklet Removal by April 28, 2023  
Is Hereby Vacated And  
Parklet Removal By April 28, 2023 Is Not Required**

**The City Council Has Determined  
A New Time Period For Removal Of Parklets:  
Parklets Must Be Removed No Later Than  
Monday January 1, 2024**

The City Council has authorized a one-time grant to reimburse fronting business owners for the cost of removal, up to \$5.00 per square foot.

**Important:**

*Certain Materials used for SJB parklets require specific disposal and handling;  
therefore, Building Dept and Public Works Dept inspections are required prior to parklet removal.*
