

RESOLUTION NO. 2016-36

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SAN JUAN BAUTISTA
AUTHORIZING PURCHASE OF A 1983 INTERNATIONAL AERIAL LIFT TRUCK**

WHEREAS, the City has a need for an aerial lift truck which will provide the public works crew to maintain and trim street trees within the city limits for the safety and welfare of residents, visitors and tourists using our parks, library grounds and city streets; and

WHEREAS, Section 2-8-060 of the Municipal Code provides for open market procedures for purchase of equipment where the estimated value (excluding sales tax) exceeds \$5,000.00; and

WHEREAS, Graydon v. Pasadena Redevelopment Agency (1980) 104 Cal.App.3d 161, provides that a competitive procurement process is not required when it would not be in the public interest such that no competitive advantage can be gained by soliciting bids; and

WHEREAS, the City Council has received information and verbal testimony this date that the used 1993 International aerial lift truck which the City has been using and operating has proven to be satisfactory to the City's needs, and may be purchased at a lesser price than on the open market by entering into a contract with Earthquake Sales LLC.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of San Juan Bautista, as follows:

1. That because the used 1993 International aerial lift truck meeting the City's needs is immediately available at a considerable cost savings and procurement of said aerial lift truck through a competitive procurement process would be unavailing, would not produce an advantage and would, therefore, not be in the public interest.

2. That the City Manager is authorized and directed to purchase the above-described 1993 International aerial lift truck at a price not to exceed \$13,517.50, without first engaging in competitive procurement and free of the provisions of Section 2-8-060 of the Municipal Code.
